

Municipality of Arenzano **Province of Genoa**

TERMS OF THE "ARENZANOINRETE" WIFI SERVICE

The user undertakes to use the ArenzanoInRete WiFi service in compliance with current legislation and the public purposes of the service. The user is required to carefully keep the access codes and is responsible for any improper use of them. The user also undertakes not to transfer personal codes to third parties.

In particular, the user undertakes to:

- acknowledge that the service provider is not responsible in any way for the content, the quality, validity of any information found on the net;
- not to disturb or damage other users of the network by sending e-mails commercial, propaganda, advertising electronics, relating to questionable topics/practices or, in any case, electronic information messages not expressly requested;
- not to carry out indiscriminate e-mail actions (spamming);
- take full responsibility for the content of the messages transmitted;
- observe the laws in force regarding copyright and privacy protection, as well as the specifications criminal laws relating to the IT and electronic communication sector, as well as any other general provision of law;
- not to access websites that, for content and images, are in contrast with the public purposes of the service (pornographic, erotic sites, etc.);
- assume any responsibility deriving from the use of the service;
- relieve the service manager of any responsibility for any event suffered or caused to third parties as part of the ArenzanoInRete WiFi service.

VIOLATION OF THE REGULATION LEADS TO IMMEDIATE EXCLUSION FROM THE SERVICE

The service providers decline any responsibility for any event - suffered or caused to third parties - deriving from the use of terminals or connections as part of the use of the ArenzanoInRete WiFi service.
